ORDER

This matter comes before the court *sua sponte*, where this case currently is scheduled for bench trial during the court's civil term commencing July 19, 2010. The court notes that defendants' motion for summary judgment, defendants' motion to strike portions of plaintiff's summary judgment evidence, plaintiff's motion for extension of time, plaintiff's amended motion for reconsideration, defendants' motion for sanctions, and plaintiff's second amended motion for reconsideration are pending currently on the docket. The clerk of court is directed to remove this matter from the court's pretrial and trial calendars.

SO ORDERED, this the 21st day of June, 2010.
